**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We citizens in the Columbia Gorge are proud of GorgeNet who serves the consumer like myself and small business owners with broadband. I am happy with the service I receive and I appreciate the fact that they are not a big (large) conglomerate like AT&T and Centurylink who are being represented by the US Telecom Association.

It is the American way to have competition, not smother and shut out the small business. GorgeNet provides a service and I appreciate the local business who are our neighbors in the gorge.

Please do not restrict GorgeNet, who we have used for over 11 years when no one else were willing to reach out to the out lining areas.

Sincerely,

Jan Wilson
